

Peer Reviewed Publications

1. Does omentopexy make a difference in laparoscopic sleeve gastrectomy for obesity treatment? A systematic review and meta-analysis.

Ali Yassen, et al; J Parmar

Obes Surg. 2023; Dec 1. PMID- 38038906
2. Does percutaneous cholecystostomy timing in high anaesthetic-risk patients impact on outcome?

M Hamid, A Khalid, J Parmar

Updates in Surgery, Nov 2022
3. A Tryst with Alcohol – post gastric bypass- dilute it if you must!

Parmar J, Singhal R, Richardson M

Obes Surg. 2020 Jul;30(7):2814-2815.
4. How Effective Is the Multidisciplinary Team Approach in Bariatric Surgery?

Bullen N, Parmar J, Gilbert J, Clarke M, Cota A, Finlay IG.

Obes Surg. 2019 Oct;29(10):3232-3238.
5. Small bowel obstruction caused by vas deferent: a first documented case report.

Davies J, Parmar J, Finlay I, Day J

BMJ Case Rep. 2018 Jun 6;2018.
6. Population based cohort study of variation in the use of emergency cholecystectomy for benign gallbladder diseases.

CholeS Study Group, West Midlands Research Collaborative.

Br J Surg. 2016 Nov;103(12):1716-1726.
7. Population based cohort study of outcomes following cholecystectomy for benign gallbladder diseases.

CholeS Study Group, West Midlands Research Collaborative.

Br J Surg. 2016 Nov;103(12):1704-171
8. Neo-adjuvant Long Course Chemotherapy for Rectal Cancer: does time to surgery matter ?

Panagiotopoulou IG, Parashar D, Mezher-Sikafi R, Parmar J, Jephcott CR.

International Surgery. 2015 Jun; 100 (6): 968-73

9. Timing of Surgery after Neoadjuvant Long-course Chemoradiotherapy in the Management of Locally Advanced Rectal Cancer.

Panagiotopoulou IG, Parashar D, Mezher-Sikafi R, Parmar J, Jephcott CR.

Clin Oncol (R Coll Radiol). 2012 Dec;24(10):e195.

10. Endovascular aortic stent graft infection with Streptococcus Equi - the first documented case.

Parmar J, Winterbottom A, Cooke F, Lever AML, Gaunt M.

Vascular 2013 Feb;21(1):14-6.

11. Significant prostacyclin/thromboxane level imbalance after lower limb arterial angioplasty: A possible platelet function alteration.

Parmar J, Aslam N, Standfield N

J Vasc Interv Radiol. 2010 Sep;21(9):1354-8.

12. Midterm Results From Internal Iliac Artery Branched Endovascular Stent Grafts

Karthikesalingam A, Parmar J, Cousins C, Hayes PD, Boyle J

Vasc Endovascular Surg. 2010 Apr;44(3):179-83

13. Stretching the limits of Laparoscopic surgery: two stage laparoscopic liver resection, a case report .

Jain G, Parmar J, Abu-hilal M.

J Laparoendosc Adv Surg Tech A. 2010 Feb;20(1):51-4.

14. Hepatic artery aneurysm: a rare presentation as painless obstructive jaundice.

Parmar J, Winterbottom A, Gordon E, Karthikesalingam A, Varty K

EJVES Extra (2009) 18, 47e50

15. Percutaneous transluminal angioplasty of lower limb arteries causes systemic inflammatory response.

Parmar J, Aslam M, Standfield N

Ann Vasc Surg. 2009 Sep-Oct;23(5):569-76.

16. Non-traumatic splenic rupture in a patient with the Kasabach-Merritt Syndrome (Case report)

Parmar J, Shiyagi B, Nelson M

British Medical Journal, BMJ Case Reports 2009 [doi:10.1136/bcr.08.2008.0792]

17. Parallel increase of pro- and anti- inflammatory mediators due to peripheral arterial revascularization.

Parmar J, Aslam M, Standfield N.

International Angiology. 2007 Mar;26(1):8-11.

18. Pre-operative Radial Arterial Diameter Predicts Early Failure of Arteriovenous Fistula (AVF) for Haemodialysis.

Parmar J, Aslam M, Standfield N

Euro Journal of Vascular and Endovascular Surgery Vol 33, 113-115 (Jan 2007)

19. Calf muscle pump failure in Lower limb lymphoedema.

Parmar J, Aslam M, Standfield N.

Phlebology, Jun 06, Vol 21; No-2, 96-99.

20. Immunohistochemical evidence of peripheral neuropathy in patients with venous ulceration

Guest M, Parmar J, Bunker C, Rowe A, Davies A.

International Angiology Journal; June 2005, Volume 13 (4); 176 -181.

21. Sub-mucous lipoma of ileo-caecal valve presenting as caecal volvulus.

Parmar J, R Lawrence, N Ridley.

International Journal of Clinical Practice, April 2004, 58, 4, 424-425 (Case report)

Presentations

Invited Presentation-

Title- My experience with Sydney Fellowship

AUGIS Conference, Aberdeen, Sep 2022

International:

1. 23hr/next day discharge rate after Laparoscopic Roux-en-Y Gastric Bypass (LRYGB)-
Can we do even better ?

IFSO, London, 2017

2. *Comparison of 30 day re-admission rates post Laparoscopic Adjustable Gastric Banding pre and post introduction

of a day-case surgery policy.

IFSO, London, 2017

3. *Small bowel infarction due to mesenteric venous thrombosis a rare but catastrophic complication after Laparoscopic

Sleeve Gastrectomy- a case report

IFSO, London, 2017

4. Utility of a routine radial artery duplex before AV fistula formation for hemodialysis

22nd World Congress of International Union of Angiology, Lisbon, Portugal, Jun 06.

5. Parallel increase in pro and anti inflammatory mediators after peripheral arterial angioplasty.

22nd World Congress of International Union of Angiology, Lisbon, Portugal, Jun 06.

National:

1. * Small bowel obstruction caused by remanent vas deferens - a First documented report.

ASIT Conference, Edinburgh, UK (Apr 2018)

2. Small bowel infarction due to mesenteric venous thrombosis a rare but catastrophic complication after Laparoscopic

Sleeve Gastrectomy- a case report

BOMSS, Alton Towers, Staffordshire, UK (Jan 2017)

3. * Intense systemic inflammatory response following peripheral arterial angioplasty.

Bioscience 2006, National Competition for Britain's Top Younger Researcher, by Set for Britain group, House of

Commons, London, UK (May 06)

4. * Inflammatory response in Ischaemia Reperfusion Injury (IRI) after successful peripheral arterial angioplasty

ASGBI 2006 Annual Scientific Meeting, Edinburgh, UK (May 06)

5. Evaluation of a portable ultrasound in the hands of junior clinician in the diagnosis of DVT. (a pilot project)

BMUS (British Medical Ultrasound Society) 35th Annual Scientific Meeting, Harrogate, (Dec 2003)

Regional meetings:

Management of inguinal hernia in adolescent males- “when does a boy become a man”

East Midlands (south) Hernia Meeting , Leicester, July 2014 (Ethicon sponsored)

Midterm outcomes of thoracic endovascular aortic repair (TEVAR),

East of England Vascular Meeting, Colchester, June 2009.

Clinical presentation competition: Non-traumatic splenic rupture in a patient with the Kasabach-Merritt

Syndrome.

St.Mary’s Hospital, Isle of Wight, May 2008.
